

Edward Vinson Plants Ltd
Soft fruit Propagators and Breeders

Sweet Eve

Another new everbearer (day neutral) strawberry variety from the Edward Vinson breeding programme, with improved flavour and shelf life.

- High yield
- Early cropping with regular production
- Good size fruit with excellent shape
- Very sweet, brix levels in excess of 10%
- Strong flavour and aroma

- Firm with excellent shelf life
- Some tolerance to high temperatures
- Tolerance to Powdery Mildew

*This variety is currently exclusive to members of BerryWorld
